MAHARANA PRATAP INSTITUTE OF TECHNOLOGY

Centre of Excellence (COE) | Gorakhpur

In Collaboration with Global Infoventures (GI)

COVER LETTER

Standard Operating Procedure — Student Registration Process

Dear Sir,

We are pleased to present the Standard Operating Procedure (SOP) for the Student Registration Process developed for the "AI Awareness for All" program, conducted by the Maharana Pratap Institute of Technology — Centre of Excellence (MPIT–COE), Gorakhpur, in collaboration with Global Infoventures (GI).

This document has been prepared to establish a standardized and transparent process for participant onboarding, ensuring seamless registration, fee collection, and automated communication across both online and offline modes.

The enclosed SOP covers the following key aspects:

- **Online & Offline Registration Workflows:** Step-by-step process for participant self-registration via LMS portal and bulk data upload by MPIT–COE admin team.
- **Payment Processing***:** Registration fee collection through payment gateway, with automated follow-up via Email and WhatsApp for pending payments.
- **Automated Notifications***:** Confirmation and communication system through Email (Gmail) and WhatsApp upon successful registration and payment.
- **Roles & Responsibilities:** Clearly defined stakeholder responsibilities across MPIT–COE Team, Finance Team, and Global Infoventures.
- **Validation & Security:** Data validation rules, role-based access control, and audit log maintenance for all system activities.
- **Admin Reports:** Comprehensive reporting including total registrations, payment status, and daily registration summaries.

We trust that this SOP will serve as a comprehensive reference for all stakeholders involved in the program and facilitate smooth execution of the registration process at scale.

Kindly review the enclosed document and share your feedback or approval at the earliest. Please feel free to reach out for any clarifications or modifications required.

***** = Handles to be provided by MPIT**

STUDENT REGISTRATION PROCESS
